Allergen Info-all our food is prepared in a kitchen where all of the key allergens, fish, meat, nuts are used, so while we do know what ingredients go in our food, we cannot guarantee any dish is 100% free from any allergen or food stuff. We do, however take measures to ensure cross contamination is avoided and we can advise on request details of which dished ingredients contain allergens. All weights and measures are approximate. Game may contain traces of shot, fish may contain bones.
